

Spring 2022

Grandview Kids: New Build Update

A quarterly update on the "New Grandview Kids"

Children First Consortium will build the NEW Grandview Kids

Hope. Belonging. Discovery. Celebration.

These four words have driven the advocacy and design of the new Grandview Kids, a centre of excellence in paediatric rehabilitation to support all children and youth with disabilities to live at their full potential. Soon, these four words will be transformed into something tangible.

Grandview Kids is proud to announce that alongside Infrastructure Ontario, the Centre has entered into a formal agreement with Children First Consortium to design, build and finance the New Grandview Kids.

The Children First Consortium team includes:

- Applicant Lead: Amico Design Build Inc., Sacyr Construction S.A
- Design Team: Parkin Architects, H.H. Angus and Associates Limited
- Construction Team: Amico Design Build Inc., Sacyr Construction S.A
- Financial Advisor: Stonebridge Financial Corporation

The Children First Consortium was selected following an open, fair and competitive request for proposals process that began in May 2021. While their proposal provides the best value for Ontario taxpayers, the Consortium partners also share in the vision of hope, belonging, discovery and celebration.

Project funding

Funding for the facility has been provided by the Ontario Ministry of Children, Community and Social Services, the Federal Government of Canada, and community fundraising initiatives led by the Grandview Kids Foundation's Believe Campaign. As part of this campaign, Grandview Kids has received two lead gifts: \$5 million from the late Mr. Jerry Coughlan and \$5,035,000 from The Regional Municipality of Durham. The Town of Ajax has generously donated five acres of land in north Ajax where the new Grandview Kids will be built. The community has rallied around Grandview kids and their families to make this dream a reality.

You're invited!

Join us on Friday, April 22, for a virtual ground-breaking ceremony from 1:30 to 2:30 p.m. Register to receive a copy of the live stream link by visiting the <u>Grandview Kids Eventbrite</u>.

Stay up-to-date

Please visit the Grandview Children's Centre Redevelopment project for ongoing updates on the new Grandview Kids.

You can contribute to the new Grandview Kids building and help every child and youth live life at their full potential by donating to the Grandview Kids Foundation.

Every dollar makes a difference.
