

Every child and youth living at their full potential

About Grandview Kids

Grandview Kids provides an array of specialized programs, rehabilitation services, and outpatient clinical treatments to children and youth with physical, communication, and developmental needs. Programs and services – which are delivered at the Centre, in the community, at schools, and in-home – include: medical consultation, assessment, and diagnosis; audiology, autism support; complex care program; occupational therapy; physiotherapy; respite services; social work; speech-language pathology; therapeutic recreation; and family engagement. Grandview Kids actively participates in research to support innovation in rehabilitation science, to advance organizational capabilities, and to better serve caregivers and the developmental needs of their children and adolescents. As an organization, we are dedicated to inspiring possibilities, fostering development, and supporting growth and personal achievement with our clients, caregivers, and team members. Though a collaborative, multi-disciplinary approach, members of Team Grandview strive to provide culturally-safer, inclusive, and innovative evidence-informed care that meets the unique needs of each client.
