

Job Posting # 18.83

Every Child and Youth living life at their full potential.

At Grandview Children's Centre, we provide paediatric assessment, treatment, rehabilitation services and specialized programs and services to children and youth with communication, physical and developmental needs in the Durham Region. We are dedicated to supporting every child and youth live life at their full potential. We foster development, growth and personal achievement for our clients their families and for our staff members. Our team-oriented approach supports our staff to collaborate, share ideas, and work with a variety of professional disciplines in a stimulating environment with an exceptional variety of opportunities in the field of paediatric rehabilitation.

If you are looking for a career that offers personal and professional rewards and makes a real difference and impact the lives of others, then Grandview Children's Centre is the place for you! We are now accepting applications for the following position:

Registered Nurse – Botox Clinic (Muscle Tone Program)

➤ *part time/casual, evenings and weekends, commencing October 2018*

Under the general direction of the Medical Director, the Nurse provides nursing support to the Grandview Children's Centre for the Muscle Tone Program which provides encouragement and helps provide an optimal environment to clients and families associated with spasticity management. Duties include general coordination of support strategies and family care for Spasticity Management Clinics; maintains communication with all other staff members; participates in education, maintains a safe work environment; participates in the Centre's Quality Improvement Program; and carries out other duties as assigned.

Specific responsibilities include but are not limited to:

- Providing nursing support to the Botox Clinic on a weekly basis
 - Working closely with clinic coordinator regarding scheduling of clients (i.e., urgent/priority);
 - Providing nursing support during clinic to clients;
 - Working with physicians and therapists to deliver clinic;
 - Consultation with families post Botox injection if concerns arise.
- Consulting with Physicians or other clinicians within Grandview Children's Centre;
- Reviewing client medical records, respond to client enquiries from families and clients;
- Advising clients regarding alternative or additional community resources;
- Managing nursing supply inventory and coordinating equipment maintenance and repair.
- Maintaining communication with all other staff members and sharing concerns with Medical Director;
- Ensures clinical competence through studying new techniques and becoming proficient in their use;
- Maintaining professional affiliations and memberships in related associations and organizations;

You have a Registered Nursing Degree with four years of post-secondary education including recent experience in a Botox clinic setting, medical application, knowledge and terminology and mentorship for a minimum of two months. You have a minimum 3 years relevant experience. Experience working in paediatrics, with children, youth and their families with physical and developmental disabilities and an interest in pharmacological management of children with Cerebral Palsy and Autism Spectrum Disorder. You have in-depth knowledge regarding community resources and supports and a demonstrated ability to work effectively in multi-disciplinary care teams.

You have current CPR and First Aid training, knowledge of infection control practices and work with a high level of autonomy and self-direction. You have the ability to deal with the public in a caring, positive and

effective manner and ensure continuity of care. You relate to all levels of clients and staff with the ability to establish and maintain effective work relationships.

You have a deep commitment to family-centred care and a passion for working with others to support children to achieve their personal best. You possess exceptional organization, interpersonal and communication skills.
